Master Chen Yingjun

Chen Yingjun was born in the Chen village and is the second son of Grandmaster Chen Xiaowang. He is the third of the Seven Dragons (leading exponents of Tai Chi Chuan from the twentieth generation of the Chen family) and one of its foremost international representatives, teaching regularly in the UK, Ireland, Eastern Europe, Australia and the USA.

He is a coach at the Chenjiagou Tai Chi School, a board member of the International Division, and Vice Chairman of the Chenjiagou Tai Chi Chuan Association.

Since 2013 he has been coming to Berkshire to run workshops for Tai Chi students in the county, where his deep understanding of Tai Chi practice and principles, his genuine interest in his students, and a great sense of humour make him a first class, inspirational teacher.
